Duties: The Conservationist II position may coordinate and oversee the following activities:

Corpsmember Initial Orientation Coordinator. The CII coordinates the training and orientation of 10-25 new corpsmembers newly entering the CCC program. Ensure delivery of standard curriculum, coordinate trainers through internal and external means, deliver training, evaluate new corpsmember trainees and develop and mentor corpsmember leaders assisting in the delivery of training. Maintain training records.

Corpsmember Education and Training Coordinator. The CII ensures that educational assessments are completed for all corpsmembers at a CCC center and coordinates educational resources to meet the needs of corpsmembers. Ensures that all corpsmembers receive CCC core courses (Conservation Awareness and Career Development). Works with education delivery services to provide corpsmembers with a variety of opportunities. Coordinates the training of all corpsmembers at a CCC center, working with staff to assess training needs. Contracts with training providers and develops training schedules.

Center Safety Officer. Develop CCC center programs to reduce the number and severity of work-related injuries. Assist the facility and project managers to develop safe working strategies.

Project Coordinator. Coordinate resource conservation projects in rural and urban areas, often in remote areas of California. Assist in developing work contracts and act as lead over CCC crews. Schedule crews to perform work projects and coordinate logistics. Oversee small satellite operations. Maintain project contracting and completion records.

Desirable Qualifications: Desire to make a significant, positive difference in the youth and environment of the State. A strong sense of the values of integrity, honor, loyalty and professionalism. Exhibit strength in character; respect the chain of command; possess unquestionable ethics; perform physically demanding work; demand excellence from others; and lead by example.

Who May Apply: Applicants currently at the Conservationist II level, or those who have eligibility for appointment or transfer to this classification. Training and Development (T&D) Assignments may be considered.
